

Privacy Policy

1. Data Collection

1.1. What types of data will you collect from users?

AccessiScan will collect:

- User registration information (email, username).
- Data on website scans, including performance and accessibility issues identified.
- Interaction data with the platform (such as clicks, settings, preferences).

1.2. How will you use the data collected?

Data will be used to improve the service, generate personalized reports, and provide educational resources. We will not sell user data.

1.3. Will you share user data with third parties?

We do not share user data with third parties except for our payment processors (Stripe) and for legal compliance.

2. Data Storage and Protection

2.1. How long will you retain user data?

User data will be retained for as long as the user maintains an account. Upon account deletion, data will be permanently removed after 30 days.

2.2. How will user data be protected?

User data will be stored securely, using industry-standard encryption methods both in transit and at rest.

3. User Rights

3.1. Can users access, modify, or delete their data?

Yes, users can access and modify their data through their account settings. If users choose to delete their account, all associated data will be removed within 30 days.

4. Children's Privacy

4.1. Will you collect data from children under the age of 13?

No, AccessiScan will not knowingly collect data from children under 13.
